„Ištvan Poljanac”

GENERAL INFORMATION

INTERNATIONAL COMPETITION

TO ALL ISSF, ESC AND CISM MEMBERS

Dear Mr,

On the 21.05.1957 at the Land Forces Military Academy sports company meeting, a unanimous decision was made to form a shooting club of the Military Academy, with Lesnak Drago being elected as the president. Members of the club are winners of numerous state championships, European and World cups, participants in the Olympics and winners of numerous sports awards.

Liutenant colonel Istvan Poljanac was a teacher – instructor in the department of armament and Military Equipment at the Land Forces Military Academy. He was born on April 9th 1967. As a coach of the sports club “Akademac” with his shooters he accomplished great succes in the military as well as on state and international competitions. He was recoznized as an international judge by shooters from all around the world. After a brief illness, his death in 2013 represented a major loss for the Military academy and shooting club “Akademac”. The first shooting competition was held in April 2015 with its purpose to keep the memory of Istvan Poljanac. This tournament has grown into an international competition in which not only the top shooters of the Republic of Serbia participate, but many others from different countries too.

On behalf of the Shooting club “Akademac” I have the honor to invite a Mission representing your country to participate in the 7th International shooting competiton Istvan Poljanac (ISSF Regulations), which will be held from 08th to 12th October 2021 at Military Academy in Belgrade, Republic of Serbia. Within this invitation, you will find all necessary administrative details, schedules and annexes.

We are looking forward to see you in Serbia.
