

## PROCESS OF UPLOADING RESULTS TO THE WEBSITE:

The process of uploading results to ESC Air Cup's website consists of the following short steps.

Initially you have to go to the web <https://escaircup.eu/>, then follow the procedure below to register results for your club participants:

1. Login on the website
2. Go to Admin panel (top list) and choose
3. Results manager in the droplist
4. Fill the spreadsheet (6 series, inner tens..) for your competitors
5. Press OK
6. Confirm action after you have double checked that you wrote the right numbers!
