**Note:** European Records in 2013 will be registered according to the ISSF Rule Change (01.01.2013) by the same principle as for World Records

In 2013, provisional World Records, (individual and team) will be kept for 50m Rifle Prone Men and Men Junior, 10m Air Rifle Men and Men Junior and 10m Air Rifle Women and Women Junior. If the ISSF decides after the 2013 Championships to keep decimal scoring for these events on a permanent basis, these provisional records will be officially recognized.

All other ISSF Rules for recognizing World Records and World Records Junior are unchanged.

In 2013, Finals World Records will not be officially recognized, but a provisional list of Finals World Records will be established.

After considering athlete, coach and national federation recommendations, the ISSF will decide whether to officially recognize Finals World Records.

At the end of 2013, the ISSF must decide whether to recognize all, some or no Finals World Records.
