Hans-Heinrich von Schönfels

Candidate ESC Vice President
ESC General Assembly, Baku 2021

My engagement for Shooting Sport

On national level, I am since 2013 working in the Executive Board of the German Shooting Sport and Archery Federation and since 2017 as President of the Federation. Especially as President, I am decisively responsible for the future development of all facets of shooting sport in Germany.

We have successfully implemented a couple of steps and activities within the German Federation over the last years and from my point of view some of the activities and experiences could also be transferred to an international level.

Besides my national engagement for shooting sport, I am of course also working for our beloved sport on an international level, e.g., as Member of the ISSF Administrative Council since 2018 or as President of the Organizing Committee for the 1st ISSF Junior World Championship Suhl, GER 2017.

Short Curriculum Vitae

- President of the German Shooting Sport and Archery Federation since 2017
- Member of the ISSF Administrative Council since 2018
- Vice President of the German Shooting Sport and Archery Federation 2013-2017
- President of the regional federation of Hesse 2011-2017
- Active Shooter since 1974
- President of the Organizing Committee of the ISSF World Cup Munich 2017 and 2018
- President of the Organizing Committee of the 1st ISSF Junior World Championship and the 1st ISSF World Championship Target Sprint

My motivation for the candidature as ESC Vice President

My main motivation for this candidature is to actively work on all upcoming challenges for shooting sport to further strengthen and develop our sport across Europe – as an important part of the international shooting sport family and the Olympic Movement.

In this context, it is from my point of view very important to make our sport more and more attractive for media, for spectators, and for sponsors. However, in the end all the steps have one overall aim: Providing our athletes the best possible conditions to practice their sport.

Being elected, I would be glad to support the ESC – together with the colleagues of the ESC presidium and the other ESC committees – to achieve these goals. I would highly appreciate the opportunity to bring my passion and my experience to play a part in the development of the ESC and the European shooting sport family.

Hoping for your support, I remain at your disposal for any questions or further information.

Yours sincerely,

Hans-Heinrich von Schönfels
