# 300m European Cup Subcommittee

## 1. 300m Lapua European Cups 2022:

a) For this 300m Lapua European Cup Final 2022, we have 11 participating nations:

AUT / CRO / DEN / EST / FRA / HUN / NOR / POL / SLO / SUI / SWE

	300m Rifle prone	300m Rifle 3 positions	300m standard rifle 3 positions
Men events	22	13	15
Women events	13	11	

For a total of 74 starts, last year we had 94 starts, so a drop of twenty starts.

This year we had 36 withdrawals for various reasons on with nine nations (all shooters of FIN and GER).

b) Participation is stable compared to last year. But it shows that the COVID-19 crisis continues to impact participation. We did not find the figures for participation before the crisis.

We only made two laps of the 300m European Cup instead of three, following the organization of the European championships, not initially planned.

Total starts in 2022 = 300 – (in 2021 = 285 / in 2019 = 417 / in 2020: COVID-19).

c) Statistics 2022:

2022	Men events			Women events	
	60M	3X20	3X40	60W	3X20W
ECH – Zagreb - CRO	33	22	21	20	16
Uppsala - SWE	25	13	17	13	10
Aarhus - DEN	34	22	23	18	13
<b>Total 2022</b>	<b>92</b>	<b>57</b>	<b>61</b>	<b>51</b>	<b>39</b>

## 2. Rules 300m Lapua European Cup 2023 :

- a) The chairman presents us a proposal of regulation ISSF for the 300 m. Indeed, to date, we do not have a regulation for the Mixed Team Event ISSF WCH CAIRO.

→ After discussions of the assembly, it is requested that it be included in the rules, the programming of a PET the day before.

- b) The regulations will be slightly amended and effective January 1, 2023

o 3.3.3 : 150 € instead 140 €.

- New section of the rules :
- 3.3.3 : For the Final European Cup, the Entry Fees are 150€ per athlete and per discipline, including € 5 to the 300m Sub Com and ESC, and doping control will be required to comply with ISSF regulations.

o 3.4.1 : 10 lanes instead 12 lanes.

- New section of the rules :
- 3.41 : For the European Cups a minimum of 10 lanes is necessary (Electronic Targets).

## 3. Yearly Planning 2023:

The schedule for 2023 is almost finalized as it could be modified for the final.

In fact, we are planning the final 25m/300m in Zagreb from 9 to 15 October 2023 but around this period it is possible that the World Military Shooting Championship (CISM) will be scheduled.
