To the National Federations – ESC members

March 16th, 2023

Dear Colleagues,

It is to inform that the XXIX General Assembly of the European Shooting Confederation will take place in Baku, Republic of Azerbaijan, on October 21st, 2023. This decision was taken by the ESC Presidium.

In this connection I would like to remind that, according to Article 5.3 of the ESC Statutes, in order to be included in the agenda to be considered at the General Assembly, the President (even per mail or e-mail) must receive the matters in one of the official languages at least three (3) months before the General Assembly convenes. It means that all proposals on matters to be included in the agenda of the General Assembly must be submitted by Member Federations no later than July 20th, 2023.

By the same date the ESC Secretariat must receive applications for European Championships in 2026 and 2027.

According to provisions of article 3.2 ESC General Regulations the applications will be accepted for the 2026 European Championship 10m, the 2026 European Championship Shotgun, the 2026 European Championship 25m/50m, the 2027 European Championship 10m, and the 2027 European Championship 25m/50m/300m/RT/Shotgun. All European Championships can be held as one competition for Men, Women, Men Junior and Women Junior or as separate competitions for Men/Women and Men Junior/Women Junior.

All necessary application forms can be found on the ESC website: <http://www.esc-shooting.org/documents/ESCGA/>

Further information on the XXIX ESC General Assembly will be provided in due time.

Please don't hesitate to contact the ESC Secretariat (esc@escsport.eu) for any inquiries.

Sincerely Yours,

Doris Fischl
Secretary General
