ESC Member Federations

June 14th, 2024

Dear Colleagues,

Several important practical steps have been approved by the ESC Presidium to implement the previously taken decisions aiming at development of the shooting sport among the young athletes. In particular:

2025 European Championships 10m U-16/U-18

The initial European Championship in 10m Air Rifle/ Air Pistol events for U-16 and U-18 age categories will take place in Tallinn, Estonia, on February 9th-15th, 2025.

2025 European Championships 10m Juniors

The European Championships Juniors in 10m Air Rifle/Air Pistol events will take place in Osijek, Croatia, on March 1st-7th, 2025.

2025 European Championships 10m

The European Championships in 10m Air Rifle/Air Pistol events will take place in Osijek, Croatia, on March 7th-13th. 2025

The Preliminary Schedule as well as description of the ESC Challenge formats and competition rules for all events mentioned above can be found [here](#).

2025 European Championships Shotgun U-18

The initial European Championships in Trap and Skeet events for U-18 age category will take place in Athens, Greece, on June 27th - July 3rd, 2025.

The Preliminary Schedule as well as description of the ESC Challenge formats and competition rules will be published on the ESC website in due time.

2025 European Youth Olympic Festival

Shooting sport program of the Festival taking place on July 19th-27th in Skopje, North Macedonia, will include 12 medal events – 8 individual and 4 Mixed Team in Air Rifle and Air Pistol.

The Preliminary Schedule as well as description of the formats and competition rules can be found [here](#).

Let me wish success to all Member Federations and their athletes in the European Championships scheduled for 2025!

Best regards,

Alexander Ratner
President
