To the ESC Member Federations

April 1st, 2025

Dear Colleagues,

The ESC is continuing its coaching program. This year, a Level 1 Shotgun Coach Course will be organized in Tallinn, Estonia, from August 10th to 15th.

The course will include both theoretical and practical sessions conducted over 4 days. The appointed tutor is Malcolm Allen (ISSF A licence) from Great Britain.

The Member Federations are invited to nominate their candidates for participation by using the ESC entry System <https://esc-entry.eu/home>. The deadline for nominations is **June 24th, 2025**.

A maximum of 20 participants will be accepted, with a limit of 4 participants per Member Federation initially. Subsequently, a waiting list will be established.

Selection will be done by the Tutor based on CV evaluation and answers to the Questionnaire (Annex 1).

Following the final approval of the participants' lists, a letter of acceptance along with details regarding homework assignments and educational materials will be sent to the Member Federations.

The General Information (Annex 2) attached to this letter. All respective information is also published on the ESC website under Development section.

Best regards,

Alexander Ratner
President
