

Duty Sheet II — Shotgun European Championships

"Duty Sheet II" applicable for all Shotgun European Championships.

1 Duties of SIUS

- 1.1 To provide start lists, based on the entries (downloaded from the ISSF accreditation web site and as per latest changes reported by the organizers accreditation) but supported by the technical delegate or competition manager, because of detailed schedule and usage of the ranges, schemas, etc.
- 1.2 To provide up to date SIUS/ISSF software, including all rule changes for all ISSF events.
- 1.3 To provide intermediate rankings on demand (update interval depends on the available installation).
- 1.4 To provide results on the web-site "results.sius.com" for each event. SIUS additionally provides pdf documents in printed and electronic form for the organizer and sends the official. xml format to the ISSF for each event.
- 1.5 If possible, SIUS will provide interfaces to read shot by shot information in electronic form. However, if no interface exists to the installed shotgun hardware, manual scoring is possible only.
- 1.6 To provide VGA-signal showing start lists, intermediates and results.
- 1.7 To provide one competition officer during pre-event training and the championships.

2 Duties of the organizer

Range / Material

- 2.1 To provide a fully functional shotgun range, fulfilling all technical needs and ISSF rules, to hold the competitions.
- 2.2 To provide necessary space for a two-person indoor office (table, chairs, power plugs, internet access and up to date laser printer).
- 2.3 To provide accurate Windows PC or Laptop (English setup) ready, to install the ranking software.

Manpower

- 2.4 To pay to SIUS the fee decided by the ESC Presidium

Competition officer for ECH shotgun	EURO 2'500
-------------------------------------	------------

- 2.5 Provide airline tickets (including range inspection day), free local transportation, accommodation (single rooms) and meal tickets during the championships for the SIUS technician. It should be taken in consideration that dinner can be in late evening hours, because of the competition schedule.
- 2.6 Keep one software engineer (good IT skilled) at SIUSs disposal, to assist operation of the computer during the championships.
- 2.7 Provide an IT specialist knowing the local installation, to ensure high quality network and internet connection. Accurate download and upload rates are mandatory for international competitions.

Others

- 2.8 In case of non-compliance of duties by an Organizer, SIUS is allowed to charge the Organizer as follows:

Missing engineer during the competition, per day (regarding C.2.6)	EURO 400
Missing accommodation, per day per SIUS technician	EURO 150
Unprovided meals, per day per SIUS technician	EURO 60
Costs for rental cars if transportation is missing	as per actual expenses
Traveling expenses	invoice

- 2.9 In case of non-compliance of duties by SIUS, the Organizer is allowed to charge SIUS as follows:

Competition had to be rescheduled to another day because of SIUS fault.	EURO 1'000
---	------------

- 2.10 Nominate SIUS as "Official Sponsor of the European Championship"
- 2.11 Provide advertising possibilities up to an amount of 5'000 Euro free of charge. As minimum an exhibition stand, advertising space for two advertisement of 4m x 1m per range, advertisement in mailings, and advertisement behind the athletes during the medal ceremony is given. The organizer takes notice, that the very low services and rental fees are only possible, because SIUS AG reduced the fees in C2.4 by more than 10'000 EURO compared to the real costs.
- 2.12 Disagreements between the organizer and SIUS of this Duty Sheet must be put before the ESC President / Vice President for negotiations between the parties.
