

ESC Member Federations

Dear Colleagues, it is my pleasure to inform You about **25m Lapua European Cup competitions** at year 2020.

We are planning to organize to 4 qualification rounds to be hold between July 2020 and September 2020 and the Final at October 2020. There has been some cancellations and new dates for qualification competitions. See new list below.

Because of COVID-19 I recommend that all qualification competition will be shot at every second firing point by having more relays than usually. Also, organizers need to provide disinfection and cleaning facilities for athletes and officials.

If there will be cancellations of qualification competitions, ESC pistol committee will pick athletes to Final from waiting list.

The fourth qualification round will be organized by the German Shooting Sport Federation at **SUHL** at 11.-13 September. If Suhl could not organize the fourth qualification round, the Danish Shooting Union will organize that at 11.-13 September in **ÅRHUS**. Decision of organizing must be done before 31st July 2020,

All organizing federations will send normally applications, program and other form to ESC as soon as possible.

Sincerely

Marko Leppä
